Sir:

The outstanding final Office Action mailed *June 13, 2005* (Paper No. 20050607) has been carefully considered. In response thereto, Applicant submitted a response within two (2) months of the mailing of the Final Office Action. Therefore, if the reply is filed within 2 months of the date of the final Office action, the shortened statutory period will expire at 3 months from the date of the final rejection or on the date the advisory action is mailed. As of the filing of the instant Notice of Appeal, Applicant has not yet received the Advisory Action. Therefore, it is believed that no extensions are necessary. In the event that the Advisory Action is mailed concurrently with the filing of the instant Notice of Appeal, and one month extension of time is due, the such extension is hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor are hereby authorized to be charged to deposit account no. 50-1078.
